Volvo Construction Equipment Building Tomorrow

WHEEL LOADERS IN AGRICULTURE

L45H, L50H, L60H, L70H, L90H, L110H, L120H

The perfect package

Work on the farm never stops, so you need a machine that delivers non-stop performance too. Working day or night, indoors or outdoors, the Volvo agriculture wheel loader will fit seamlessly into your operation, carrying a variety of loads across some of the most challenging ground conditions.

By utilizing our decades of experience working with farmers we have tailored a wheel loader package which boosts productivity in agriculture applications – including landscaping, irrigation, livestock and crop production. Agile, versatile and reliable, the agriculture machine is the perfect partner.

L60H, L70H, L90H, L110H, L120H

Engine air pre-cleaner

Easy to operate and maneuverable

VOLVO

AGRICULTURE

Compact design

VQ.C

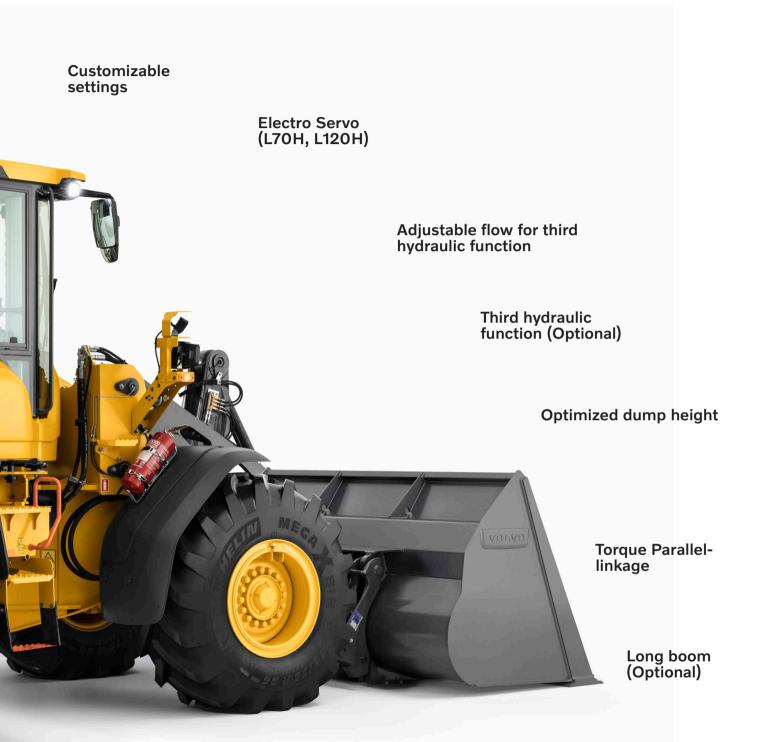

Powerful and fuelefficient Volvo engine

Slidable cooling unit

Automatically reversible cooling fan

Axle oil cooler (L70H-L120H) Lock-up torque converter

Agri Powershift (Optional L70H-L120H)

Attachment bracket

Boom Suspension System

Excellent traction (RimPull control standard)

Configured for success

Benefit from all the features and functions found on a standard Volvo Wheel Loader, combined with the specialist equipment needed to succeed in agriculture and landscaping applications. In addition to the agriculture package, there are a number of other options we can offer which are beneficial in this application.

- Included in the Agriculture package
- •* Included in standard machine configuration
- o Optional equipment

More than machines

Engineering machines which deliver outstanding results is just the start of how we can support your operation. As your partner we are here to help with every aspect of your Volvo machinery: how you use it, maintain it, pay for it and even how you sell it. Our portfolio of services is designed to complement your machine's performance and boost your profitability.

24-hours parts delivery guarantee

Maintain productivity and machine uptime with our range of readily available parts, all backed by Volvo warranty – with 24-hour parts delivery guarantee. Only by using Genuine Volvo Parts, can you protect your investment, extend machine life and guarantee long lasting performance.

ActiveCare Direct

Maximize machine uptime and reduce repair costs with ActiveCare Direct. Utilizing CareTrack data, the intelligent service provides round the clock machine monitoring, as well as customer reports – to help take predictive and preventative maintenance actions.

Maintenance and repair agreements

Stay on track with planned servicing and keep your asset covered with our range of flexible maintenance and repair options.

Financial Services

Volvo knows business finance – and our team of experts are dedicated to helping you succeed. With flexible financial and insurance solutions, we can help grow and protect your business. From a single unit to an entire fleet, new or used, we'll customize a solution to meet your needs.

Lifetime Frame and Structure Warranty

Quality has long been a hallmark of the Volvo brand. Decades of experience, both in the field and in the laboratory, are today delivering unsurpassed frame and structure durability. We believe in the quality of our products – so much so that Volvo machines come with a Lifetime Frame and Structure Warranty, covering the frame, articulation joint and arm.
